

MUHAMED ALI ALBASHA

Junior Front-End Developer

Syria | +963 997 591 670 | mualalghfrannn@gmail.com

Portfolio | GitHub | LinkedIn

PROFESSIONAL SUMMARY

Passionate and detail-oriented Software Engineering Graduate specializing as a Junior Front-End Developer. Skilled in building responsive, modern, and high-performance web applications using React, JavaScript (ES6+), TypeScript, Tailwind CSS, and Bootstrap. Experienced in integrating RESTful APIs and implementing clean, maintainable, and well-structured code. Strong focus on performance optimization, user experience (UX), and continuous learning.

TECHNICAL SKILLS

- Languages: HTML5, CSS3, JavaScript (ES6+), TypeScript
- Frameworks & Libraries: React.js, Tailwind CSS, Bootstrap, i18next
- Tools & Platforms: Git, GitHub, Postman, VS Code, GitHub Pages
- Core Concepts: RESTful APIs Integration, Responsive Web Design, Component-Based Architecture, Performance Optimization, Clean Code

PROJECTS

- Personal Portfolio Website | React.js, Tailwind CSS, JavaScript, i18next
- Designed and deployed a modern, responsive portfolio website showcasing web applications and technical skills.
- Integrated multi-language support (Arabic & English) using i18next and implemented a Light/Dark theme toggle.
- Optimized site performance, micro-interactions, and visual component hierarchy for enhanced UX.
- Live Demo: <https://mualalghfrannn-gif.github.io/protflo/>
- GitHub Code: <https://github.com/mualalghfrannn-gif/protflo>

EDUCATION

Bachelor's Degree in Software Engineering

Aleppo University, Syria
